Join your favorite Ravens at the Jason Ritchie Ice Arena as they host a charity weekend to raise money for Heart Disease! The Men's and Women's Hockey teams are playing both in memory of 3 members' fathers who were recently lost to heart disease and to support the HeartBrothers Foundation. HeartBrothers is dedicated to helping heart failure patients and their families navigate the complicated financial world of Heart Failure, Ventricular Assist Devices, and Heart Transplantations. Their mission is to fill gaps for patients by offering them essential support through medical insurance assistance programs, informative stress-coping resources, and connections to the global heart failure community.

As a part of these charity games, the members of the Men's and Women's Ice Hockey teams will be selling the dry-fit t-shirts shown above for **\$20 a shirt** and all profits will be donated to the HeartBrothers Foundation! To guarantee a shirt prior to the games, orders must be in by October 1st, but orders will be taken up through the games. All payments must be **cash only**. Please use the bottom of this page for your order. Thank you for supporting your Ravens and the HeartBrothers Foundation!
