Golf Balls for Helicopter Drop

Varied (See Below)

You do not have to be present to win! Each golf ball purchased will be assigned a number. That number corresponds to a numbered golf ball being dropped from the helicopter at the Classic. The helicopter will fly over the course (right off the balcony of the Clubhouse!) during cocktail hour, dropping hundreds of numbered balls over the hole. If your lucky ball lands in the hole (or is the closest to the hole), you win! *If you **are** present, you receive **50%** of the pot. If you **are not** present, you receive **25%** of the pot.*

1 Ball: \$10
